

Landscapes:

They are a Changing... and We are the Change!

Join us in this new Lunch and Learn webinar series as we explore ways that landscape professionals can help solve some of the challenging issues facing the green industry.

UF/IFAS Extensions Broward, Miami-Dade, and Palm Beach Counties present this FREE six-part series of one-hour webinars examining today's problems and future challenges facing those who manage urban landscapes in Florida. CEUs are available for \$10.00 each session. Webinars are FREE if you do not want CEUs.

UF | IFAS Extension
UNIVERSITY of FLORIDA

**Every other Wednesday
from Noon to 1 PM
beginning April 13th.
Presentations are
offered a la carte.**
